

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

NOVEMBER 25, 2008

The Second District has within its boundaries 20 local and community parks that serve a diverse and heavily populated community in the southern unincorporated area of the County of Los Angeles. Supervisor Yvonne Burke has worked tirelessly to ensure that funding is provided to update these parks and park facilities in order to improve the quality of life through County park programs and the benefits of increased physical activity.

Supervisor Burke has focused on making sure that Ladera Park continues to be an asset in the community. Several years ago she successfully led the effort to build a Senior and Community Center at the park. The Ladera Heights, View Park and Windsor Hills residents have requested that the Senior and Community Center be named in her honor.

I, THEREFORE, MOVE that the Board name the Senior and Community Center as the “Yvonne B. Burke Senior and Community Center” and direct the Department of Parks and Recreation to take the necessary steps to implement this Board action.
